## **Always Be A Student**

Keep on learning, Warriors,  
Though your high school years are done;  
Your whole life's an education  
That has only just begun.

Your diploma is the first big step,  
For knowledge is the special key  
To winning what you want in life  
And being who you want to be.

If you'll always be a student,  
You'll find the secrets to success  
And travel on the gold road  
To peace and happiness
