

KANAWHA COUNTY BOARD OF EDUCATION POLICY

Public Access to Information

Series: B02

Reference:

Issued: October 19, 1978

Revised: May 19, 1983

Revision Number: 1

In accordance with the limitations of prevailing federal and state laws and/or State Department of Education policies pertaining to public access to information, citizens of Kanawha County may request and be granted the privilege of reviewing all documents with the exception of personnel files of the Board of Education. Review of the documents may take place in the office of the Superintendent or any other location of designated administrative staff. Citizens desiring copies of such documents may receive them at a nominal cost to be established by the Central Office Communications Center.
