

**KANAWHA COUNTY BOARD OF EDUCATION POLICY**

**School Safety - Fire Drills and Regulations**

**Series: C20**

**Reference:**

**Issued: August 14, 1975**

**Revised:**

**Revision Number:**

---

The Board of Education has directed, that each school will, for each month that school is in session, report fire drills conducted to the Director of Safety by the tenth day of the following month.

This report, on the prescribed form, is separate from and in addition to the reports maintained by all schools under the direction of the State Fire Marshal.
