

KANAWHA COUNTY SCHOOLS ADMINISTRATIVE REGULATION

Creation Science

Series: I19A

Reference:

Issued: 10.19.1987

Revised:

Revision Number:

19.01**Status.** Neither State learning outcomes, nor any current program of studies includes a creation component. The teachers of science and all other curricular areas are expected to provide instruction toward the mastery of the State learning outcomes as interpreted by the current program of studies. Thus, creation science is not to be taught.

19.02**Creation Science Materials.** Any materials pertaining to Creation Science, if retained, shall be housed in the school library.
