

KANAWHA COUNTY BOARD OF EDUCATION POLICY

Elementary School Athletics

Series: J06

Reference:

Issued: August 14, 1975

Revised: November 30, 1982; April 21, 1983

Revision Number: 2

The Board of Education does not encourage or sponsor athletic competition as a part of the elementary school instructional program. However, these activities may occur at the completion of the instructional day if sponsored by a community related organization. The Board of Education does permit elementary schools to participate in field day events that are an outgrowth of the physical education program.
