

KANAWHA COUNTY BOARD OF EDUCATION POLICY

Educational Partnerships

Series: K04

Reference:

Issued: December 19, 1985

Revised:

Revision Number:

In keeping with school system goals for the improvement of educational opportunities, public confidence, and open communications, it shall be the policy of the Board of Education to seek support for educational excellence in Kanawha County Schools by promoting and facilitating educational alliances and partnerships with business and industry; governmental bodies; higher education institutions; civic, social, and service agencies; other community organizations; and individuals.
