

Kroger community 
rewards

Would you like to **DONATE** to the school with **NO HASSLE?**

Kroger, Corp offers us a wonderful opportunity to earn extra money for our school every year. **The Kroger Community Rewards Program** pays us back for money we spend at **Kroger**. We currently have just under **100** families, of the **600** families currently enrolled at Point Harmony, participating in this program.

Since we began using **Kroger Community Rewards** (September 2015) the school has received **JUST under \$10,000!!** This money has been used to pay for the Tech Lab teachers, and other various equipment for the school... ink, paper, printing of the calendar/handbook, just to name a few. We've received this amount with only 100 of our staff and families contributing. Can you imagine how well we would do if ALL 600 families, staff AND their families joined in?

It's easy to do and it takes **NOTHING** away from your **Kroger Points**.

Go to www.Kroger.com, Savings & Rewards, Kroger Community Rewards, I'm a customer, that's it!
