

**KANAWHA COUNTY BOARD OF EDUCATION POLICY**  
**Series: I04 - Homework**

Homework is a necessary and integral part of the total educational process. The habit of homework is to be initiated early in the school experience. Homework should be an extension of classroom instruction to support and reinforce the skills taught in the classroom. Homework assignments are suggested in the following time allotments:

|              |            |
|--------------|------------|
| Kindergarten | 15 minutes |
| 1st - 3rd    | 30 minutes |
| 4th - 6th    | 1 hour     |
| 7th - 9th    | 1.5 hours  |
| 10th - 12th  | 2 hours    |

Students in Honors/IB/AP/Dual Credit may have longer homework expectations due to the additional rigor of the courses.
