

KANAWHA COUNTY SCHOOLS ADMINISTRATIVE REGULATION
Series: I31A - Assessment of Disabled Students

31.01 Required Assessment Measures. All disabled students will be tested using the assessment measures identified by the West Virginia Department of Education unless modification is required pursuant to an *individualized education program* or a *§504 plan*.

31.02 Modification Procedure. In the event modification of assessment measures is required, the Director of Counseling Services will consult with appropriate special education specialists and special education teachers to identify necessary modifications and accepted levels of mastery.

31.03 Cumulative Assessment Data. This administrative regulation shall not be construed to prohibit the exclusion of individual student test scores from a school's cumulative assessment.
