

# POWERFUL PARTNERS

*Preparing for the future starts now, but how do students apply what they have learned in school to the real world? Sharing college prep or vocational options and real world scenarios, will help our scholars thrive after high school. Here are some tips and websites to help students navigate the next step in their life.*

*The High School Planning Timeline can help you on your journey throughout your high school experience.*

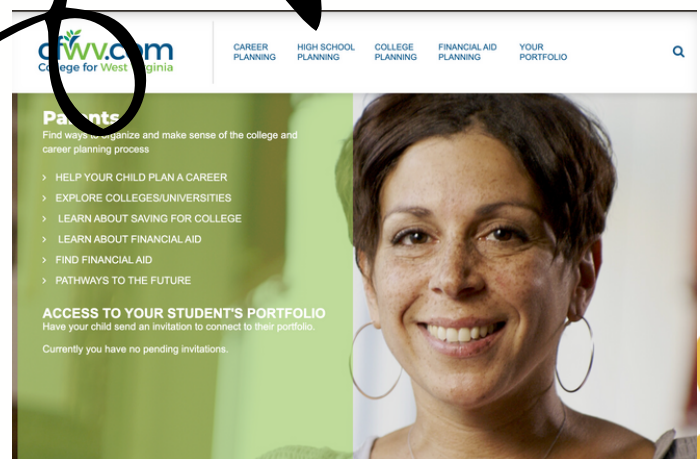

*Follow the steps in the timeline throughout the school year. You can print the timeline page and use it as a checklist or a reminder.*

*All the steps you need to follow for high school planning, college planning and financial aid planning are shown for each grade. In this section, the high school planning steps are highlighted. Steps for alternate pathways after high school are also included.*

*There's lots to do. Stay on track.*
