

POWERFUL PARTNERS

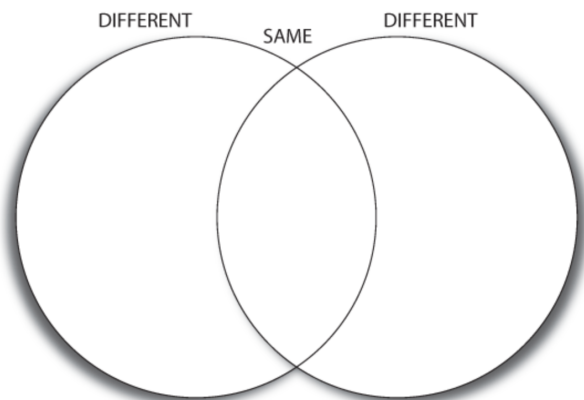

Parents and Guardians,

You are powerful partners in education and learning does not have to end in the classroom. How can you help at home? Here are some engaging activities that will support learning at home and help your child become more successful in their studies.

READING

Compare and Contrasting

- If your family is facing a choice to make, ask your child to make a list of pros and cons to compare and contrast your options in a meaningful way.
- After reading a book, sit down and watch a play, tv or movie adaptation of the same story and see if your child can spot the differences. To take it a step further, ask which version they appreciated more and why.

MATH

Compute fluency with multi-digit numbers and find common factors and multiples

- Divide using the standard algorithm:
3248 divided by 16 (Answer: 203)
- Divide using the standard algorithm:
3399 divided by 11 (Answer: 309)
- Multiply using the standard algorithm:
 28×12 (Answer: 336)
- Multiply using the standard algorithm:
 14×19 (Answer: 266)
