Athletic Trips - Transportation

Series: J05

Reference:

Issued: August 14, 1975

Revised:

Revision Number:

The use of school buses for transporting athletes after football practice sessions may be granted. All regular policies and procedures regarding extra curricular use of bus transportation will prevail.

Students cannot be charged for riding school buses for extra class activities by increasing the price of admission tickets.

Transportation can be provided through school funds, club funds, or volunteer services.
