### Reporting Violations: Filing Complaints

A student (or his/her parent/guardian) who believes he/she has been subject to conduct that constitutes unlawful sex discrimination, including sexual harassment is encouraged to report the incident to the building principal as soon as possible. A student may also report incidents/violations to any teacher, coach/advisor, counselor, or administrator. A complaint may also be filed with the Title IX Coordinator at 200 Elizabeth Street, Charleston, WV 25311, Telephone Number 304-348-1379.

Any school employee who suspects or is notified that a student has been subject to conduct that constitutes unlawful sex discrimination, including sexual harassment, shall report the incident to the building principal as soon as possible (not later than twenty-four (24) hours unless extenuating circumstances justify a reasonable extension of that deadline). student of the right to file a complaint and the complaint procedure, and shall promptly provide all necessary forms and assistance to enable the complainant to file an appropriate written complaint if he/she so desires.

The building principal or Compliance Officer shall inform any complainant or potential complainant who is a minor that he/she may be accompanied by a parent/guardian during all steps of the complaint procedure.

Complaints shall be filed within thirty (30) calendar days after any incident alleged to constitute a violation of this policy or they shall be deemed untimely, unless special circumstances exist which justify a later filing.

Even if no formal written complaint has been filed by or on behalf of a student who alleges he/she has been subjected to conduct that constitutes unlawful sex discrimination, including sexual harassment, any building principal or Compliance Officer who receives a report of a possible violation shall cause an informal investigation to be made, and take all necessary interim actions reasonably calculated to prevent any violations during the period before the completion of informal and formal procedures under this policy. If the informal investigation suggests that there has been a violation, the Compliance Officer shall be informed. The Compliance Officer shall review the matter, conduct such further investigation as he/she deems appropriate and, if he/she concludes that there has been a violation, the Compliance Officer shall recommend prompt, corrective action to ensure that the conduct ceases and will not recur, and to remedy any effects of the violation for which the district is responsible. administrator or person trained on this policy to commence an investigation, unless the building principal is the subject of the complaint, is otherwise not impartial, or is unable to conduct the investigation. In the latter case, the Compliance Officer shall authorize another administrator who is not the subject of the complaint and who is impartial to conduct the initial investigation. Provided that a complaint that involves a complaint of sexual harassment of a student by an employee shall be reported to and investigated by the Compliance Officer in accordance with the provisions of this policy.

District employees and officials shall ensure that the initial investigator shall be appointed and initiate a formal investigation within forty-eight (48) hours after the filing of a written complaint under this policy, unless extenuating circumstances justify a reasonable extension of that deadline. In the event the person designated to conduct the initial investigation shall be unable to complete the investigation in a timely manner, the Compliance Officer shall authorize another appropriate person to complete the initial investigation.

### Rights During Complaint Procedure

After the initial investigation has been completed, the Compliance Officer shall be responsible to implement the above requirements until the conclusion of the complaint procedure.

### Investigation

The formal investigation shall include individual interviews with the complainant, the accused, and others with knowledge relative to the incident. The investigator may also evaluate any other information and materials relevant to the investigation, and shall consider all information presented by the complainant and the accused. Every attempt will be made to conduct and complete the investigation as thoroughly and speedily as possible. The obligation to conduct this investigation shall not be negated by the fact that a criminal or insurance investigation of the incident is pending or has been concluded, although the investigation may be delayed or suspended at the request of law enforcement while the law enforcement agency is gathering evidence. In the event investigation is delayed at the request of a law enforcement agency, appropriate steps will be taken to provide for the safety of the victim and the school community and to prevent retaliation by any individual, i.e., change in schedule of the victim and or perpetrator, change of school or suspending during the pendency of the investigation.

The building principal or other person designated to conduct the initial investigation shall prepare a written report within fifteen (15) calendar days after commencing the investigation, unless additional time to complete the investigation is required. In that case, the investigator shall report on the status of the investigation to the complainant, the accused, and the Compliance Officer at the expiration of the fifteen (15) day period and every fifteen (15) calendar days thereafter. Although the District may extend the investigation when necessary, it must insure that the completion provides a prompt and equitable resolution.

The written report shall include a summary of the investigation; findings of fact and an explanation of the evidence in support of such findings (including a determination with respect to the factual allegations of the complaint); conclusions whether there have been any violations based on the factual findings and a discussion of the reasons for such conclusions; and a recommended disposition of the complaint, including any recommended district action.

The results of the investigation of each complaint filed under these procedures will be reported in writing to the complainant and the accused by the Superintendent or his/her designee.

### Appeal

If the complainant is not satisfied with any finding or recommended corrective action proposed in the investigative report, he/she may submit a written appeal to the Compliance Officer within five (5) calendar days after receipt of the results of the investigation. proposed in the investigative report. In that event, the Compliance Officer shall notify the complainant and the accused that an appeal will be conducted and shall discuss alternative corrective actions with the complainant. (The Compliance Officer may not initiate an appeal if he/she is the subject of the complaint or is otherwise not impartial.)

The Compliance Officer (or other designated appeal official) shall review the investigation and the investigative report and may also conduct a reasonable supplemental investigation.

The Compliance Officer (or other designated appeal official) shall prepare a written determination with respect to the appeal within fifteen (15) calendar days after initiation of the appeal, unless additional time to complete a supplemental investigation is required. In that case, the appeal officer shall report on the status of the supplemental investigation to the complainant and the accused at the expiration of the fifteen (15) day period and every fifteen (15) calendar days thereafter. The results of the appeal shall be provided to the complainant and the person who conducted the initial investigation.

District action within the authority of administration shall be implemented as recommended in the investigation and appeal process. Recommendations for district action which require Board approval and/or the approval of persons or entities other than the district or its officers or employees shall not be implemented unless so approved.

Any student or employee who is found to have engaged in conduct constituting unlawful discrimination in violation of this policy shall be subject to discipline up to and including expulsion from school or termination of employment. Disciplinary actions and procedures shall be consistent with the Student Code of Conduct, Board policies and district procedures, and other applicable state and federal laws, rules, regulations, and constitutional requirements.

### Confidentiality

Confidentiality of all parties shall be maintained with respect to the filing, investigation, and disposition of all complaints under this policy, consistent with the district's legal and investigative obligations. The district shall not disclose the name of a complainant (or the student on whose behalf a complaint has been filed) to an alleged violator/perpetrator/harasser if the complainant or the parent/guardian of a minor student so requests, but the scope of a reasonable response to the complaint may be limited as a result (*e.g.*, disciplinary action against an accused individual may be limited or precluded).

Notwithstanding anything to the contrary in this policy, while a complainant has the right to learn the outcome of his/her complaint (*i.e.*, to learn whether the complaint was investigated and whether discrimination/harassment was found), the district shall not disclose to a complainant any sanction or discipline recommended or imposed upon a student or employee to the extent such disclosure is prohibited by the Family Educational Rights and Privacy Act (FERPA) or other applicable laws, regulations, rules, constitutional requirements, or orders. ### Reprisals

No person shall retaliate against any person who is the victim of or who reports alleged sexual harassment or testifies, assists, or participates in an investigation, proceeding, or hearing related to a sexual harassment complaint. Retaliation includes, but is not limited to any form of intimidation, reprisal or harassment. Persons found guilty of retaliation shall be subject to discipline.

b. At the time of the filing of a complaint, the complainant shall be provided a copy of this policy. If the complainant is not the victim, the foregoing information shall be provided to the victim at the earliest opportunity, and, in no event not later than the time the victim is interviewed.

c. The complaint may be oral or written, but any oral complaint must be placed in writing by either the complainant, recipient of the complaint, principal, his or her designee, or other school level staff members designated to receive such complaints, or the Title IX Coordinator (348-1379). The form to be utilized is entitled "Kanawha County Schools Incident Report: Possible Sexual, Racial, Religious/Ethic Harassment Matter". See Attachment 1. Whether or not a written statement has been received from a complainant or victim, the completed form shall be submitted to the Title IX Coordinator by the principal within two school days.

d. If the Superintendent believes there is reasonable evidence indicating the accused violated this policy, the Superintendent will remove the accused from the school setting and place him or her on suspension with pay during the pendency of any investigation and any disciplinary hearing. In the alternative, the accused may be given an alternative assignment at an alternative site which does not involve the direct instruction or supervision of students.

e. The person accused of the harassment should be notified promptly of the investigation after the complaint is placed in writing or the investigator otherwise determines that there are reasonable grounds to believe that an incident of harassment actually occurred. The accused will be advised that there will be no retaliation against any person for reporting the alleged sexual harassment or for testifying, assisting, or participating in an investigation, proceeding, or hearing relating to the sexual harassment claim.

f. An appropriate investigation shall be promptly initiated with a full, confidential interview with the complainant by an investigator not employed at the school site. At the time the interview is scheduled, the "student" complainant must have a parent or guardian present or consent of the parent or guardian must be given for the interview unless the student is eighteen (18) years or older. Prior to the interview, the Lead Counselor for the school district will designate a counselor from another school in the Kanawha County School

system to aid and assist the complainant. This counselor is to be present for any interview or testimony of the student unless declined by the student's parent or guardian or by the student if the student is eighteen years of age or older.

g. The investigator shall obtain from the complainant the content of the allegations, the names of any witnesses, and supporting documents and evidence. The interview with the complainant shall be recorded by mechanical means. In the alternative, the complainant may be given an opportunity to provide a hand written statement of events.

h. The investigator should confirm whether the appropriate reports were made to the police and/or child protective services. Further, the investigator should determine if any immediate needs exist for the complainant, including scheduling changes or counseling.

i. Following an interview with the complainant, the investigator should individually interview any witnesses identified. Each witness shall be directed to keep the matter confidential.

j. At the conclusion of the interview, the complainant and any witnesses will be advised by the investigator that no persons should retaliate against them for reporting the alleged sexual harassment or for testifying, assisting, or participating in an investigation proceeding or hearing related to the sexual harassment claim. Further, the investigator will advise such individuals that should retaliation or reprisal occur he/she shall promptly report the specific actions to the investigator.

k. Once all witnesses identified by the complainant have been interviewed and all supporting documents or evidence has been gathered, the investigator will interview the accused employee.

m. The investigator shall question the accused regarding the alleged allegations and obtain the names of any witnesses and supporting documents and evidence. The interview with the accused shall be recorded by mechanical means. In the alternative, the accused may be given an opportunity to provide a hand-written statement of events.

n. At the conclusion of the interview, the investigator will again advise the accused that there shall be no retaliation against any person who reported the alleged sexual harassment or testifies, assists, or participates in the investigation proceeding or hearing related to the complaint. The accused and any witnesses he or she identifies will be advised the matter should remain confidential with the exception of the accused's right to discuss the matter with a hearing representative or attorney for proper presentation of a defense at a disciplinary hearing.

o. Once all witnesses identified by the accused have been interviewed and all supporting documents or evidence has been gathered, the investigator shall provide a written report with accompanying documentation to the Superintendent. The report should summarize the allegations, describe the basis for the investigator's conclusions and set forth recommended action. The investigator should document the scope of the investigation even if the result is inconclusive.

p. Regardless of whether the student is hesitant about continuing the investigation, or the accused retires or resigns during the pendency of the investigation, the investigation shall continue until concluded and a report submitted.

Notwithstanding the Title IX Coordinator's responsibility to maintain the security and confidentiality of the investigative file, the Superintendent and the General Counsel for the school district shall always have the right and authority to review the file.
